Town Warrant

[L. s.] THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Newfields, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Newfields Town Hall in said Newfields on Tuesday, the 12th day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.

3. On petition of Edwin C. Smith and twenty-four others: To see if the town will vote to use the Australian Ballot in all annual Town Meetings, with a filing fee for all Town Officers receiving compensation.

4. On petition of Leslie F. Hayden and ten others: to see if the town will vote to accept the apparatus prepared by the Volunteer Fire Department.

5. On petition of Leslie F. Hayden and forty-six others:
Section A: That the Town of Newfields raise and appropriate the sum of five hundred (\$500) dollars, to be used by the Newfields Fire Department to purchase hose and necessary equipment.

Section B: That the Town of Newfields authorize the Fire Department to use the Old Town Office as a fire station with the privilege of altering doors if necessary.

6. On petition of Fred A. Spead and twelve others: To see if the town will vote to operate on daylight saving time in accordance with the surrounding towns.

Given under our hands and seal, this 23d day of February, in the year of our Lord nineteen hundred and thirty-five.

THOMAS R. SHEEHY,
WILLIAM G. NIXON,
JAMES E. GRAY, *Selectmen of Newfields.*

Report of the School Board

The annual meeting of the school district was held in the Town Hall March 13, 1934, and the following officers were elected: Perley R. Bean, moderator; Leslie F. Hayden, clerk; Francis N. Gray, treasurer; Eugene C. Patridge, auditor. Christopher A. Pollard was elected a member of the school board for three years.

The school board met and organized as follows: Christopher A. Pollard, chairman; Elizabeth H. Fifield, secretary.

The school board appreciates the continued interest shown in our schools by the Parent-Teacher Association. The six-foot white porcelain lavatory installed last fall by this (Parent Teacher) Association is a credit to our school.

We appreciate the fine work and personal interest taken in our schools by our superintendent, Mr. Towle.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Newfields, New Hampshire:

It gives me pleasure to submit my sixteenth annual report as superintendent of schools in Newfields.

For purposes of easy comparison, I am placing the various tables of school statistics together at the beginning of my report, as follows:

Last year for the first time I included Table I in my report so that you might see at a glance how all the Newfields pupils were distributed at the time of writing. I have inserted this table again this year, for it must be that all concerned with the schools will find the table of interest. Curiously enough the total, 73, is exactly what it was last February. Six more, however, are enrolled in high school grades and six fewer in the elementary grades than last year.

In the column, "Total Pupils," in Table II, it will be noticed that the total number of pupils enrolled during the last school year in grades I to VI was exactly the same as for the year before. I am pleased to be able to record the percent of attendance in such high figures. In this respect the local school compares favorably with any similar school. The statistics in Table II for the year which ended June 30, 1934, are distributed to the two local school rooms in Table III.

It will be seen in Table IV that twenty pupils, or nearly one-half of the total enrollment, have their names for one or more terms on the roll of perfect attendance.

I commend to your attention the report of the school nurse, but I should like to add the comment that the value of Mrs. Sheehy's work can hardly be seen in a formal report. Her contacts with parents in the homes are numerous, pleasant, and of great benefit to the pupils. She is generous of her time, putting much extra and unpaid for effort into securing the best possible results. Her report follows:

REPORT OF THE SCHOOL NURSE

To the Superintendent and School Board of Newfields:

Following are the health activities in the Newfields schools from January 1, 1934, to January 1, 1935:

Number of pupils examined.....	44
Class room inspection of pupils	180
Pupils weighed and measured	44
Vision tested.....	44
Pupils found to have defective vision...	6
Pupils found to have defective teeth ...	26
Pupils found to have defective tonsils...	6
Pupils found to have defective adenoids. .	4
Tonsillectomies.....	4
Pupils unvaccinated	0
Pupils found to be 10% underweight...	6
Pupils taken to tuberculosis clinic	2
Teeth treated.....	51
Pupils taken to oculist	2
Vision corrected.....	2
Pupils taken to the dentist.....	20
Total number of visits made to schools..	30

Through Mrs. Wilder, the state director of relief, we have milk and cod liver oil for all children who need them.

From the Child Recovery Program of New Hampshire I received \$25.68 to be used for the correction of defective tonsils, teeth and vision. This money was used for the payment of four tonsillectomies, and the dental work of three pupils.

I take this opportunity to thank our superintendent, Mr.

Towle, the school board, the teachers, and the people of Newfields for their cooperation and wonderful help. I wish, also, to thank the Red Cross for defraying the expense of glasses and dental care, the Grange for defraying the expense of glasses, and the Parent-Teacher Association for the installment of a very fine white lavatory which is to be used for washing hands. Six children can wash their hands at the same time. I find the cleanliness of the children much improved.

Respectfully submitted,

ELOISE B. SHEEHY, R. N.

February 1, 1935

In connection with matters of school health, we owe our thanks to the Parent-Teacher Association for two important improvements in school equipment—a well of fine water with an electric pump, and a sink provided with several faucets for hot and cold water. I can assure you that the children are being trained in habits of personal cleanliness at all times. To have an abundant supply of the finest water for drinking and hand washing is a great blessing; the effect of this improved equipment is seen in the appearance of the school. I hope now that we have running water it will not be long until flush toilets may be installed. We have ample space, ample boiler capacity for heat, and running water. The expense of the installation of toilets and septic tanks should not be more than that of some of the projects recently completed.

We have, in recent years, made two matters of school management of special concern. The first concerns the conduct of our local pupils as citizens of the community, their behavior out of school, their respect for law. The second concerns such a thorough preparation, drill and training in all subjects as will enable every pupil successfully to do work beyond grade six. At least moderate success has come from the work of the teachers along these lines. At the present time

there are no failing pupils beyond grade six, and I am sure that the public conduct of the local pupils as a whole has improved during the last two years. The teachers would welcome more visits by parents. They are doing good work, and they need and deserve the fullest cooperation. This co-operation has been accorded them generously, and I express their thanks, as well as my own, to parents, school board, and all concerned with the school.

Respectfully submitted,

CLIFTON A. TOWLE,

Superintendent of Supervisory Union, No. 16.

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the Town of Newfields
qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the 12th day of March, 1935, at 7.30 o'clock in the afternoon, to act upon the following subjects:

1. To choose all necessary officers for the ensuing year.
2. To choose one member of the school board for the ensuing three years.
3. To hear the report of agents, auditors and committees or officers chosen and pass any vote relating thereto.
4. To see if the district will vote to make any alterations in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
5. To see if the district will authorize the school board to make a contract with the Robinson Female Seminary, Exeter School District and Newmarket School District for the tuition of pupils for the years 1934-35 and 1935-36.
6. To see if the district will authorize the school board to accept Federal Aid for the purpose of installing flush closets and finish the painting at the school house; appropriating the sum of two hundred dollars to be used to purchase materials if the Federal regulation demands it. Any unexpended balance to be turned back into the town treasury.

Given under our hand at said Newfields this 12th day of February, 1935.
